Fellow Philatelists and Friends:

ALOHA, and WELCOME to HAPEX-82, honoring Rockets, Roosevelt, and Royalty. We have exhibits on each of these areas as well as Hawaiiana, United States, and a general category. We hope you will find HAPEX-82 interesting and informative.

The Society has come a long way in seventy one years. In 1911 the Society had fifteen members, today we have over 370 members. The Society not only holds exhibitions, but has published information on various facets of Philately. We publish PO'OLEKA O HAWAII on a quarterly basis, and we currently have three books in publication. These are Edward J. Burns' two books, "Additions to Hawaiian Postal History", Volumes I and II, and L. J. Crampon's book "Areophilatelic Flights - Hawaii & Central Pacific - 1913-1914" (gold medal at AIRPEX VI).

We feel that by doing these things we are helping to promote philately in Hawaii and to promote the study of Hawaiian Philately. If you are interested in joining us, please fill out the membership application found in this program. The various covers prepared by the Society, and the publications mentioned above may be purchased at the HPS sales table or ordered by mail using the order forms found in this program.

Aloha,

Wayne T. Yakuma
President - HPS
